

*The Jewish Exponent* has [an article](#) written by a *Jewish Telegraphic Agency* reporter on Congressman Pence's push to sanction Iran:

*Bolstering that bill is a nonbinding resolution put forward last week by U.S. Reps. Gary Ackerman (D-N.Y.) and Mike Pence (R-Ind.). The resolution urges President Bush to immediately impose some of the sanctions in the Counter Proliferation Act and adds the new proposal: cut off the export of refined petroleum to Iran.*
